Simon Lazarev

web developer

Hello, my name is Simon Lazarev. I was born in Karelia. I lived without parents when I was very young and grew up in a foster family. I was educated in the field of fine arts, information technology and theology.

My hobbies are playing guitar, painting, reading poetry and writing. I wrote a book called "**The Queen of the Seven Mountains**" I hope to continue writing.

I am married without children but I would like to have children in the future.

English level — **intermediate.**
